

# Results of Survey from Anti-bullying Committee - April 2016

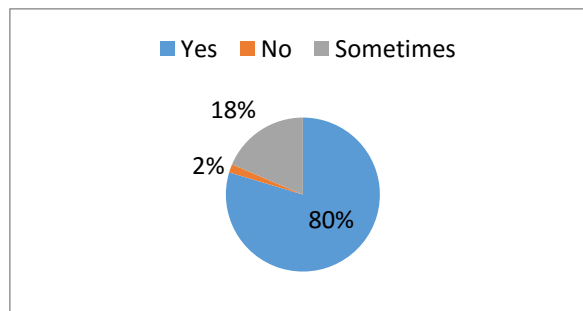

## Foundation Stage and KS1

Are you happy at school?

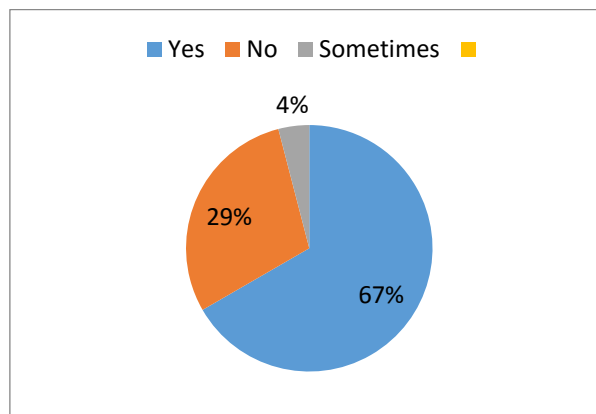

A few children in F5 said that they missed their mums.

Do you like going outside at break time?

Do you have people to play with on the playground?

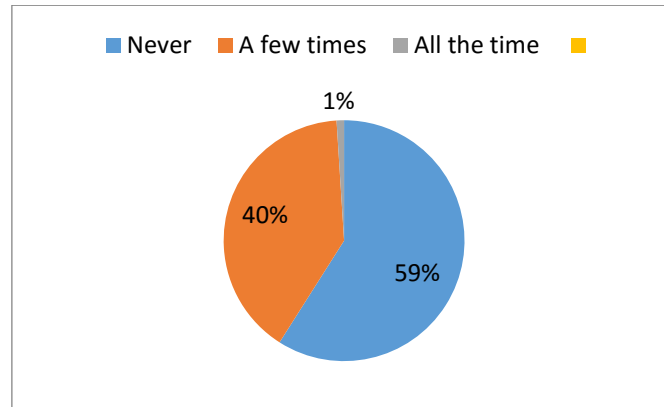

100% said that they felt safe at school, had someone to talk to and would talk to a grown up if they had a problem.

# Results of Survey from Anti-bullying Committee - April 2016

## Key Stage 2

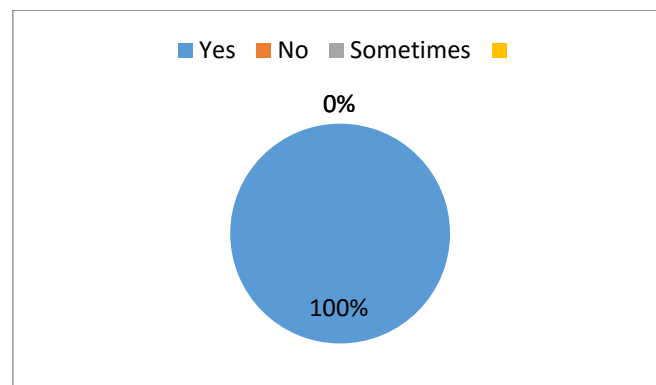

### Have you ever been bullied in school?

### If you have been bullied, where did it happen?

From highest to lowest - playground (most), toilets (some), Classrooms (low), cloakroom (low).  
No incidents in the library or studio

### Do you feel safe in the classroom?

### Do you feel safe in the playground ?

In contrast to the previous question, the answer was unanimous yes. A summary of the comments includes – feeling left out in some games, no one to play with, 'people do things when the teachers are not looking'.

### If you have ever been bullied, were they older, younger or the same as you?

Majority said older or the same – only 1% said younger

### Further comments shared:

- \* PSHÉ sessions need to focus on Anti-bullying more
- \* Good to be able to talk to teachers
- \* It would be nice to have more quiet calm areas
- \* We need to look at the use of the friendship bench
- \* The anti-bullying committee is a very smart idea.
