

Safeguarding at Deanshanger Primary School

Safeguarding is everyone's responsibility and through this commitment, we provide a safe and secure environment in which to learn and grow

In line with our Safeguarding Policy, we are committed to establishing and maintaining an ethos where our pupils feel free, are encouraged to talk and are listened to.

We promote our pupils' welfare, safety and health by fostering an honest, open, caring and supportive climate.

Children at our school are able to talk freely to any member of staff if they are worried or concerned about something.

All staff and regular visitors will, either through training or induction know how to recognise a disclosure from a child and know how to manage this.
