

Good morning and welcome to your learning pack for this week. Below you will find information on what will be covered in the video sessions and which will not, so you can see what to do at home and what to leave for the video calls. Hopefully, we are all a bit more used to the video method of learning now. If you do have any problems, please don't hesitate to get in contact with us.

Thank you to Kendal and Holly for their questions last week on the quiz. This week's zoom call will be on Wednesday again at 4pm. The details are below:

<https://zoom.us/j/93991052863?pwd=MkVkRTZwbUJFUmJ3TGhTNlEwMTEvdz09>

Meeting ID: 939 9105 2863

Password: sunshine

Future quizzes:

This has proved popular for some children so please continue to send your questions in that you would like to be read out in the future quizzes we do. You never know, your questions could appear on the staff quiz at school too!

For Week Beginning Monday 29th June 2020

Maths: These sessions for the week will be on the video call. (this has changed)

To access please go to the white rose website and use the following login details for access.

Username: Parent

Password: DeanshangerP1!

To access the resources you need to be in the Year 5 Area:

Monday: Summer Term Block 4 Converting Units: Kilograms and kilometres

Tuesday: Summer Term Block 4 Converting Units: Metric Units

Wednesday: Summer Term Block 4 Converting Units: Converting Units of Time

Thursday: Summer Term Block 4 Converting Units: Timetables

Friday: No video call but feel free to choose a subject of your choice.

Please note that the powerpoint that will be shared on the screen by Mrs Dennis will be the same as the questions the children are asked to work upon. There is no need to be able to open the powerpoint your end. There is also no need to print off the sheets for children to work upon either, they can answer these into their books or onto paper at home, but if you do require the learning pack printed then please contact the school office and they will do this so you can collect it.

If you require an exercise book to do the work in they please contact the school office too who will make sure there is one to collect too.

English: These sessions for the week will be on the video call.

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Please follow the link above to access the Hamilton trust website for English. We are now onto Week 11 for daily English lessons of which we will lead the start of these on the video call. We will set you a task to complete from this and then you can check in after to show what you have done. Again, there will be no video call on a Friday but there are activities you can do from the pack.

Mrs Dennis, again, will screen share what we are talking about at the time, but if you need a paper copy, please contact the school office.

Everything below this is not on the video call: (this has changed)

Topic:

The link below is to a short film called 5 metres 80 (High diving giraffes). I'm sure children have seen this before but we would like the children to use it to do a couple of things:

<https://www.literacyshed.com/diving-giraffes.html>

1. Write a newspaper report as if you are at the annual 'Animal Olympics' and are reporting on this new event where animals perform different routines.
2. Create a poster advertising the 'Animal Olympics'. Include here on the page why people should attend and what other acts they will see. Make it as descriptive as possible.

The Urinary System: (this has changed)

Use the links below to help you draw and label the urinary system and then explain how it works.

https://www.youtube.com/watch?v=2_7Q1xQ-NWU or https://www.youtube.com/watch?v=dZREDWD_5bA.

Art: (these has changed)

Have a go at drawing these different dinosaurs. They aren't always easy so don't worry if it doesn't turn out how you want it the first time, put the first go down to having a go before mastering it the second time.

A Triceratops: <https://www.youtube.com/watch?v=AxGz4Vs5Z14>

A Velociraptor: https://www.youtube.com/watch?v=mQa7p_RL_lo

A T-Rez: https://www.youtube.com/watch?v=Qt1a4_pgwHc

Deanshanger Virtual Games: (this has changed)

This is the final week for new activities being added to the virtual games. The website link is www.northamptonshiresport.org/school-games. Once completed, register your activity on the website.

Within this there are activity packs for the children to complete on the sport that these activities are based around. These are good fun and can be completed whether you have a printer or not as they can be copied onto paper.

TTRockstars: Please feel free to continue to challenge us both. If you would like to play against Mr Gregory this week then drop him an email and he and your parents can arrange a time that works.

Reading: (this has changed) A massive congratulations to all the children that have continued to read regularly. Both classes are very close to personal milestones. Given we are not going to be back until the new academic year, reading really is one thing that we need to ensure is done regularly so that children don't experience anymore slippage than is necessary. Please, please, please encourage your child to read for 30 minutes a day, and get them to record it in their 'Home School Diary'. If you have finished the books you have at home then please access the Myon website to find books that your child could read. The myon website is <https://www.myon.co.uk/> The Accelerated Reader website is: <https://ukhosted.73.renlearn.co.uk/1922487>. This site can be accessed from 8am to 6pm.

Spag.com: (this has changed) Several quizzes will be ready for you for the week on Monday 29th June.

Spellings: (this has changed) The 5 new spellings for this week are: opportunity, persuade, physical, prejudice and profession.

The last 15 were: equipped, familiar, frequently, hindrance, identity, immediate, interfere, language, leisure, marvellous, mischievous, necessary, neighbour, nuisance and occupy. Remember to practise all 20 please.

Purple Mash: Purple mash activities will expire on the 6th July 2020.

Please continue to work hard and send us what you have been doing boys and girls. We love seeing everything that you do.

Mr Gregory and Mrs Dennis.
