

So here we are! Your final week as a Year 5 child before you move into Year 6! This will be your last learning pack for this year so make a real good effort with this one please. You have all been doing so well so far and you will have truly earned your Summer Holidays after this week's effort. If you do have any problems, please don't hesitate to get in contact with us via email.

For Week Beginning Monday 13th July 2020

Maths lesson zoom information: (this has changed)

Jul 13, 2020 09:20 AM, Jul 14, 2020 09:20 AM, Jul 15, 2020 09:20 AM, Jul 16, 2020 09:20 AM
Zoom Meeting Link: <https://zoom.us/j/96906296991?pwd=amJUNjdBUm5XeFQVbnpjSmpqQkplZz09>
Meeting ID: 969 0629 6991 Password: 7EFmrS

Maths: These sessions for the week will be on the video call. (this has changed)

To access please go to the white rose website and use the following login details for access.

Username: Parent

Password: DeanshangerP1!

To access the resources you need to be in the Year 5 Area.

Throughout the week we will be looking at BLOCK 5 MULTILIPICATION and DIVISION in the SPRING TERM.

The four units are:

Monday: Multiply 4 digits by 1 digit

Tuesday: Multiply 3 digits by 2 digits

Wednesday: Divide 4 digits by 1 digit

Thursday: Divide with remainders

Friday: Last day of term! Go wild! Only joking, can you create your own maths crossword puzzle? Send your puzzles over the summer to us so we can have a go at doing them! Don't make them too hard though.

As before, if you need printed learning packs then please contact the school office who will happily provide these for you.

The powerpoint is the same as the tasks children will be required to complete. If you need an exercise book to complete work in then please contact the school office.

English lesson zoom information: (this has changed)

Jul 13, 2020 10:40 AM, Jul 14, 2020 10:40 AM, Jul 15, 2020 10:40 AM, Jul 16, 2020 10:40 AM

English: These sessions for the week will be on the video call. (this has changed)

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/>

Please follow the link above to access the Hamilton trust website for English. We are going to move onto WEEK 16 for daily English lessons of which we will lead the start of these on the video call. These activities are hopefully more in line with the final week of a school year.

Mrs Dennis, again, will screen share what we are talking about at the time, but if you need a paper copy, please contact the school office.

Everything below this is not on the video call: (this has changed)

Topic: As it is the end of term we have tried to select activities that might represent how the last week would have been

The Immune System: (this has changed)

Use the link below to help you understand and learn about the immune system.

<https://www.youtube.com/watch?v=PSRJfaAYkVW4>.

With this video we would like you to create a one page information page that explains all the important parts and jobs of the immune system. You may need to do it over two pages of A4.

Picnic/Cooking: (this has changed)

Design, plan and make your own picnic for your family. What delicious things would you have? What treats would you cook to take with you? You never know boys and girls, your mum and dads might just make it with you and decide to go on a picnic too?!

Film review: (this has changed)

Normally the children would get to watch a film altogether during the final week so we thought we would actually put it into your learning pack this week. So, choose a film and sit back and enjoy it. Once you've watched it you could write your own film review to share with us. If you could remake it, how would you make it better?

Art and Design: (this has changed)

Here are three activities you could try:

1. Draw a picture without taking your pencil off once. This is called continuous line drawing.
2. Design a hat for an animal of your choice.
3. Try drawing a picture using a pencil in each hand at the same time.

PSHE: (this has changed)

Create your own school year memory page in which you could include pictures of:

1. Yourself
2. Your teacher (be kind!)
3. Your favourite book you read
4. Best classroom activity
5. Best outdoor activity
6. Your friends
7. Funniest memory

Fun writing: (this has changed)

Write a letter to the future version of yourself in 10 years time. What do you hope you will be doing? What would your job be? Who would you be friends with? Where would you live?

TTRockstars: Please feel free to continue to challenge us both. If you would like to play against Mr Gregory this week then drop him an email and he and your parents can arrange a time that works.

Reading: Please continue to encourage your child to read for 30 minutes a day and get them to record it in their 'Home School Diary'. If you have finished the books you have at home then please access the Myon website to find books that your child could read. The myon website is <https://www.myon.co.uk/> The Accelerated Reader website is: <https://ukhosted.73.renlearn.co.uk/1922487>. This site can be accessed from 8am to 6pm.

Spag.com: (this has changed) A quiz will be ready for you for the week on Monday, 13th July.

Spellings: (this has changed) The 5 new spellings for this week are: shoulder, soldier, sufficient, temperature and twelfth. The last 15 were: mischievous, necessary, neighbour, nuisance, occupy, opportunity, persuade, physical, prejudice, profession, queue, recommend, relevant, restaurant and rhyme.

Remember to practise all 20 please.

Purple Mash: Purple mash activities were set at the beginning of last week for that week and this week.

We hope that you enjoy your summer holidays after this week of learning and we look forward to seeing you in September. We know the end of term has been totally different to what we normally have had but we can make up for it next year with lots of hard work and fun!

Mr Gregory and Mrs Dennis.
