

Hello Brasilia and Colombo Class!

We hope you are all well and managing to access all of your home learning as well as having some fun! Miss Whitaker and Mrs Webb are so proud of how resilient you are all being during this strange time.

Year 6

Maths

We would like the children to practise their tables to improve recall speed and accuracy of ALL tables. They can do this by visiting 'Times Tables Rockstars'.

There are resources at: <https://whiterosemaths.com/homelearning/year-6>

Lessons for the week beginning Monday 27<sup>th</sup> April:

Summer Term Week One activities

Lesson 1 - Vertically opposite angles

Lesson 2 - Angles in a triangle

Lesson 3 - Angles in a triangle - special cases

Lesson 4 - Angles in a triangle - missing angles

Lesson 5 - Friday Maths Challenge with BBC Bitesize

English - Reading and Writing

Please ensure that your child is reading 30 minutes a day and that you are reading with your child often and they are recording it in their 'Home School Diary'. They need to be taking tests in Accelerated Reader as often as possible. Your child could also write reviews of the books they read to share with the class when we return to school.

The following link provides daily tasks for writing and grammar with images for inspiration:

<https://www.pobble365.com>

This week we would also like your child to produce a piece of creative writing based on the picture below. Your child can use the following questions to help focus their writing:

- Who is this?
- Where did she come from?
- Where is she going?
- Why is she carrying a suitcase? What's inside?
- Did she plan this journey or was it a spontaneous decision?
- Why is she alone?
- What is happening to the ground behind her? What could be the reason for this?
- Why isn't she looking back? Does she know what's happening?
- Could this image have a deeper meaning/message? What might it be?
- What does it mean to look back on your life?
- When you look back on yours, what are your highlights? Do you have any regrets?
- What do you think are people's most common regrets?
- Why would someone not want to look back?
- Deeper thinking: Would you rather lose all of your existing memories, or never be able to make new ones?

On SPaG.Com we have set some SPaG activities for your child.

For spellings we'd like children to practise the Year 5/6 and Year 3/4 Spelling List. Also look at this link

### Science

Our new topic would have been called 'What Price Progress'. The science part of this topic looks at famous scientists and their inventions. This week we'd like you to research some famous scientists of the past and pick your favourite invention. Produce a poster on the invention explaining the science behind it and why it is your favourite.

### Computing

<https://www.purplemash.com/login>

### Topics

Also from 'What Price Progress', this week we'd like you to design an invention of your own! Remember your invention must solve a problem, your design must explain how it solves a problem and what materials it would be made from. For extra challenge, try to ensure that your invention is eco-friendly.

### RE

As of last Thursday the holy month of Ramadan has begun and millions of Muslims across the UK have begun their annual fast. Please follow this link and find out more about the celebration of Ramadan:

<https://www.bbc.co.uk/bitesize/topics/zpdt5bk/articles/zjc2bdm>

### Art

Get creative with your invention designs and create a mood board to inspire your choice of material and colours! For some inspiration and information on what a mood board is please follow the link:

<http://creatively-daring.com/how-to-create-mood-boards/>
