

Hello Colombo and Brasilia Class!

We hope you have had a good week with your Home Learning. It would be lovely to see some photos of your inventions and mood boards. We hope that by the time you receive this, both classes will have had a ZOOM catch up with us.

This Friday (May 8th) would have been a bank holiday to celebrate and remember the 75th anniversary of VE Day (Victory in Europe) when the Second World War ended in Europe. People were so pleased there was a national holiday and people met up to have parties and celebrations. Who knows when the Lockdown ends we might have a party with social distancing? The learning for this week is based on VE Day and Dan Snow's challenge at <https://ve-vjday75.gov.uk/dan-snows-ve-day-challenge>. If you want to send anything to him, you can do by Wednesday to ve-vjday75@culture.gov.uk. We would love to have your pieces of work for Friday so we can post things on our website and Twitter.

Year 6

Maths

We would like the children to practise their tables to improve recall speed and accuracy of ALL tables. They can do this by visiting 'Times Tables Rockstars'. Miss Whitaker and Mrs Webb are available every Thursday at 10am and 3pm to play against the children. If children select the 'Arena' tab selection at the top of the page, they will be able to play us and other children in the classes.

There are resources at: <https://whiterosemaths.com/homelearning/year-6>

Lessons for the week beginning Monday 4th May

Summer Term Week Two activities

Lesson 1 - Angles in special quadrilaterals

Lesson 2 - Angles in regular polygons

Lesson 3 - Problem Solving

Lesson 4 - Problem Solving

Lesson 5 - Friday Maths Challenge with BBC Bitesize

English - Reading and Writing

Please ensure that your child is reading 30 minutes a day and that you are reading with your child often and they are recording it in their 'Home School Diary'. They need to be taking tests

in Accelerated Reader as often as possible. Your child could also write reviews of the books they read to share with the class when we return to school.

The following link provides daily tasks for writing and grammar with images for inspiration:

<https://www.pobble365.com>

We would also like you to complete a piece of work for Dan Snow's VE Day Challenge at <https://ve-vjday75.gov.uk/dan-snows-ve-day-challenge>. This could be a poem, a fake newspaper report, a story about someone who lived through these times or a news report. It is entirely up to you. It would be good if we could share these so please email them through or email them directly to Dan Snow at ve-vjday75@culture.gov.uk

On SPaG.Com we have set some SPaG activities for your child.

For spellings we'd like children to practise the Year 5/6 and Year 3/4 Spelling List.

For help with handwriting, log on to <https://www.letterjoin.co.uk>.

Swipe code - L

Science

Make a Spitfire Glider. Template attached. Write an explanation or make a video about how your glider flies. How can you vary the speed at which it flies?

Computing

Coding a character to dance!

Mrs Ritchie has found a great site that allows you to have a go at coding a character to dance to a song of your choice! Check it out on this link: <https://code.org/dance>

Topics

Research VE Day. What is it? Who was involved? Why did it happen? Create a fact sheet about what you find out.

RE

From what you have learnt about VE Day, what do you think are the main messages/lessons for the world now?

Art

Make your VE Day Bunting and display in your window...

https://www.bbc.co.uk/programmes/articles/4TrqYDyf4PMdl_ypxzyTwGDg/great-british-bunting

Create a piece of artwork for Dan Snow's VE Day Challenge at <https://ve-vjday75.gov.uk/dan-snows-ve-day-challenge> and email to him at: ve-vjday75@culture.gov.uk.

PE with Joe - www.youtube.com/watch?v=d3LPnhIOv-w and <https://www.peplanning.org.uk>

There are ideas about PE in gardens and outside.
