

Dear Glen,

I am at Gran's flat for a week. I am so glad Mum let me come. Gran has been a little sick and glum so I will help her to feel better.

We went to the Grand Green Grill for dinner. The grub was so good and Gran was so glam in her green dress.

Gran said we can go to the zoo too. The children near Gran's flat said that the big cats at the zoo growl and grunt!

I must go. I hear a groan from Gran!
See you soon.

From Gregg
