1	Both my children attend dps in year 6 and year 3 they both thoroughly enjoy their time at school with their friends and teachers It has been a difficult year and more for all but I have been thoroughly impressed by all the staff at dps throughout their eagerness to communicated and to support both children and parents has always been obvious. They have always done what they thought best (which was hard to know what it was) . I have nothing but gratitude and admiration for all the staff	7/25/2021 11:30 PM

3	I am extremely happy with the school. Mrs Rice's efforts to keep the community together during Covid have been commendable. There is always someone to talk to about concerns. My child is happy and safe at school.	7/18/2021 11:42 AM
4	Once again during very difficult circumstances the school has done an outstanding job.	7/17/2021 7:29 PM

6	The teachers and school were amazing during lockdown and did everything in their power to support us as parents and the children at home. They were all amazing!!! Thank you for going above and beyond to make learning continue. Mrs Dennis, Mr Gregory and Mrs Watson are truly amazing members of Staff!!! My children are very lucky to have been taught by these teachers.	7/17/2021 3:46 PM

8	During the last term I wished there would be more updates on my child progress and on what to focus during home leaning time	7/16/2021 10:12 PM
9	I question why improvements aren't being made to the management structure, teachers or to the school to improve ofsted reports. Although I actually can't fault the foundation stage team I am hesitant with my child moving forward within the school due to the continuing 'needs improvement' ofsted reports	7/16/2021 9:26 PM
10	Staff are lovely Keep you informed of any issues as and when they arise and have worked extremely hard during the pandemic to make sure the children's education carried on. Keep up the good work Deanshanger primary school staff	7/16/2021 9:05 PM
11	The whole school community has done a brilliant job despite the challenges this year. Very much hoping that staggered start and end times do not need to continue in Sept!	7/16/2021 7:50 PM
12	Thank you for everything you do. Hope you all have a well deserved break over the summer.	7/16/2021 7:47 PM

14	I have been concerned this year sometimes about what I have heard about other children's behaviour in my sons class. Both my son and myself have questioned why they are not removed from the school (appreciate my lack of understanding does not help) as it hinders other children's progress.	7/16/2021 7:41 PM
15	All great if throughout the year we could get update from teacher with details of what the kids will focus during the term (just like we did during a lockdown fee bulletpoints for each subject) that would be lovely	7/16/2021 7:30 PM

20	I believe communication from teachers to parents could improve. throughout lockdown,communication was outstanding and could not fault any of the staff during this time. But since my child has settled back to school life I am less aware of the process my child is making and how support my child at home to improve.	7/16/2021 6:40 PM
21	Thanks you so much for all your hard work and supporting my child to be the very best they can.	7/16/2021 6:19 PM
22	Communication is the poorest part of DPS. Listening to parents opinions is the second worst. It would be interesting to see if we get to see the results of this survey and what happens as a result of it.	7/16/2021 6:08 PM
23	Would be really good if the teachers responded to emails quickly. I wanted to help my child with their learning and emailed asking what areas to cover with him. I got no reply, he was invited to interventions but couldn't attend. Then the report shows lack of progress.. but I was trying to get the information I needed to help him... hope he catches up in year 4.	7/16/2021 6:03 PM
24	I've hardly used the Arbor app, I found the old system much better	7/16/2021 5:58 PM
25	Ms McKenzie works so hard and has made my daughters first year at school amazing. Her pastoral care has been second to none and very much appreciated. All of the EYFS staff work incredibly hard.	7/16/2021 5:53 PM
26	My children joined later on in the school year and we have seen a huge improvement in their confidence and learning. The staff have been amazing and it's been a breath of fresh air knowing our children's needs have been met	7/16/2021 5:52 PM
27	We were happy with the approach of leaders of DPS when we transferred here. Mrs Rice is far the best head teacher I've met so far. The school is brilliant.	7/16/2021 5:52 PM
28	Very disappointing experience over the 6 years. Very pleased my child has moved on from this awful school which needs to look at the leadership, around the repeated Ofsted failures and lack of progress to improve	7/16/2021 5:48 PM
29	This year my son has commented several times that "naughty children" or "children that cry" get "to do what they want." He has said several times that if you are naughty or start crying you don't have to do your work or you're allowed to leave the classroom. He has also commented that they get to do more "fun things like forest school". I think he feels like they don't seem to miss anything as punishment and in fact get to do it more often / have added privileges. I understand that the actions that are taken are taken for a reason but I wanted to comment how it's coming across to some others in the class.	7/16/2021 5:47 PM
30	I think that school is lead by a excellent and strong headteacher. I think they work hard and generally want what's best fir the children.	7/16/2021 5:47 PM
