## Q26 Please add on any further comments here

Answered: 43 Skipped: 96

#	RESPONSES	DATE
1	A huge thank you and well done to Mrs Bailey, Mr Taylor and the year 5 team. With a teacher leaving at Christmas, I was worried the year would be negatively disrupted, but the children have thrived and had some amazing experiences, brilliant teaching and loads of fun. The Sports Day format this year was great too - really enjoyable. Our child has also loved the sports fixtures after school that she has taken part in - they have been a real confidence boost.	7/19/2022 8:06 PM
2	The school is a real asset to the community. We are very happy with the school. All the staff work so hard and are very helpful and approachable.	7/15/2022 5:11 PM
3	My child has had persistent problems (aggressive behaviour) with another child picking on them over the past 2 years, to which I know from speaking to other parents, isn't isolated yet the school appear to side with the aggressor more often than not as it appears he has a tendency to manipulate staff and get the others the blame. I've been very disappointed with the way the school has dealt with this. Also, I've been quite disappointed with the level of proactivity of teaching and communication in year 4 this year. It feels like allowing the children to get by has been enough, rather than trying to drag those nearer the bottom towards the mean and inspiring and challenging those near the top towards excellence. This is a shame as this wasn't something I experienced with my older child who has now moved up to 2ry education.	7/13/2022 2:30 PM
4	In terms of my child's development, I believe this school to be quite good.	7/13/2022 2:07 PM
5	Communication so far this year has been poor or late, parents are beign informed on class activites or events such as trips or discos with only a few days notice. Teachers are relying on pupils too much to inform parents of specific things rather than an email being sent out.	7/13/2022 8:38 AM
6	I do not feel the school has the knowledge or capacity to deal with children under SEND. Further training is required, further support is needed to make them more capable of being able to give children with additional needs the same chances as other students without additional needs. Also teacher changes this year have made my child unsettled, although school have tried their hardest to not let this happen, it still has. School are always very approachable, helpful and do try their hardest but I feel their lack of teachers with any experience of dealing with SEND students let them down.	7/13/2022 5:34 AM
7	I have recently provided feedback to the headteacher on my feelings in regards to integrity of some teachers and the lack of ownership. The final year of my child's time at the school is not one that will be looked back on with fond memories.	7/12/2022 10:11 PM
8	N/A	7/12/2022 9:05 PM
9	The only reason that I have put disagree on the section about supporting my child's SEN needs is purely because she is the type of child who fades into the background. She needs a lot of self-esteem/confidence development, social skills to communicate with adults, support with anxiety but these are not issues presented at school due to masking behaviours so I don't feel the support is there as she doesn't cause issues at school. Some pastoral workgroup to build relationships where she reveals her true self to adults would help her progress. Overall I am extremely happy with the school, have recommended it to others and always will. Mrs Rice and the team are approachable, kind and well-respected in the community and I have total faith in the school.	7/12/2022 6:49 PM
10	more support is always given to children that are underperforming academically and I would like to see more support given to children that are achieving academic targets to stretch and challenge them. A lot more Support is always given to under performers to reach and achieve the minimum academic standard but there are children that can do more and have the ability to be stretched to achieve higher academic success and it would be great to see focus on this group of children too.	7/12/2022 4:58 PM

11	Non response to 2 emails sent to Mrs Rice	7/12/2022 12:56 PM
12	Bullying is still a issue that needs to be sorted.	7/12/2022 12:09 PM
13	Year 4 seems to have been a struggle for some reason and my child has not been as happy to go in as previous years and has been very anxious. We are hoping Year 5 goes more smoothly.	7/12/2022 9:25 AM
14	I think communication could be better	7/12/2022 9:02 AM
15	Mrs Bailey has been an amazing teacher for my child, stepping in last minute in January, but quickly getting to know my child both personally and academically. We feel that Mrs Rice has yet again navigated very successfully, another incredibly challenging year. She is a valuable asset to the school.	7/12/2022 8:38 AM
16	Strong staff team with excellent values promoting childrens wellbeing and good mental health	7/12/2022 7:51 AM
17	Generally a good school could still improve in ways	7/12/2022 12:30 AM
18	None	7/11/2022 10:52 PM
19	Do feel the kids could be pushed harder in some cases. Some teachers also appear more committed than others but that may just be due to different personalities	7/11/2022 10:52 PM
20	It seems strange to me how my son who excels at school and is one of the highest readers in his year can be marked as a 2, only to be marked 3 months later as a 5. Strangely coinciding with the movement from school to academy. As an isolated case I may find this a coincidence, but when put to other parents with children of a similar ability a pattern has started to emerge.	7/11/2022 10:38 PM
21	No actions taken for a child who was below expected progress level. Was expecting more...	7/11/2022 10:31 PM
22	My child is happy at school and always likes going in	7/11/2022 10:12 PM
23	On balance we have had good experiences of the school, with two children through all years. Our children are not SEN, but we have heard this is a weak point, from past parents and via our child's observations, maybe something to refocus.	7/11/2022 10:07 PM
24	Thank you to everyone for all your hard work, especially during very challenging times. I find it very easy to make contact with both the class teacher and Headteacher, I have had emails answered late in the evening and at weekends, an example of the team going above and beyond to work in partnership with parents, which I highly value. I will always have fond memories of the school and my child's time with you and wish you continuing success for the future.	7/11/2022 9:58 PM
25	I am so impressed with EYFS and the constant updates received on Tapestry. My child has grown a great deal since starting dps and I am so grateful for the amazing start she has received. My eldest daughter is in Yr 4 and loved the residential trip. She has struggled academically this year, initially communication proved difficult with the teacher however I can appreciate how busy they are and there has been an improvement in contact over the past term. My daughter now has a tutor to support her further aswell as learning at home as it appears she struggles learning in a class setting and doesn't always feel supported or confident enough/able to ask questions when she doesn't understand. The events DPS have put on throughout the year have been brilliant and always have such a great sense of community. I find the leadership team very approachable and great with communication. Reception staff are always friendly and helpful. The teaching assistants from what I can tell make a huge impact at school as do some of the lunch time supervisors. Sometimes events occur at lunchtime and they aren't always reported back to the teacher which leaves the child feeling unsupported. Overall I am pleased with the school and feel my children are safe and happy.	7/11/2022 9:55 PM
26	I don't know what homework my child has and it's not always written in home diaries, there are no updates or questions answered when class teachers are contacted, no arrangements to meet teachers for parents evening is allocated dates can't be made and in my terms 'detentions' for 8yr olds that done read 5 days a week and it's not noted in hime diaries (regardless of if they do and forget to write/parent forgets - enforced punishments for a learning activity that we as parents want to be an enjoyment for years to come becomes a chore!!)	7/11/2022 9:39 PM
27	The school makes out like the students best interest is at heart when it isn't! They didn't even	7/11/2022 9:29 PM

	inform me that my child was abused by another student! My closest friend told me	
28	I feel having more weekly updates on tapestry of my child & what they have been doing would have been welcomed more in year 1. Or more diary feedback. Felt a bit in the dark occasionally compared to the very frequent updates we received in foundation stage. Star of the week, top banana progress & other awards could have been more published.	7/11/2022 9:28 PM
29	My girls have come on so much since joining and I couldn't be more proud of them. You have helped them with everything including building fantastic friendship groups. Best thing we ever done is move them. Thank you to you all	7/11/2022 9:21 PM
30	N/A	7/11/2022 9:19 PM
31	Fantastic school led by a fantastic head teacher	7/11/2022 9:14 PM
32	Brilliant school... my daughter started in year 1 and she's improved so much and loves going to school	7/11/2022 9:11 PM
33	I would prefer the school to have a stronger academic focus where children of all abilities are encouraged and supported to improve/progress. Communication from school at times seems last minute as if things have been forgotten. Generally though the newsletter and communications keep me informed of what is coming up in the school calendar. All members of staff are friendly and approachable. The school has a lovely community feel with the well-being of the children put first. The school try new initiatives to support learning (extra morning lessons, homework club). Would be lovely to have some similar initiatives to support the children who already tick the academic boxes but want to learn more and extend their learning.	7/11/2022 9:07 PM
34	Absolutely agree with everything but I do still need more communication between teacher and parent can schedule one parent a day for 20 minutes talk about how the kids progressing and give chance to the parents knowing about their kids twice or 3 times a year is enough I believe and plus the normal meeting that usually happens once a year.	7/11/2022 9:06 PM
35	Due to Miss Forward being reception head the children have had inconsistencies through the whole of year one they don't know from one day to the next whether they will see their actual teacher or not. The lack of communication from the whole of year one has been poor when it came to trip preparations. Forest school kits came home once or twice in a year. I understand one child ended up with a mouldy coat as a result and many ended up with wellies to small for them. The children had a difficult start to school life due to covid and year one hasn't been much better. Hoping year two will be more consistent and better in terms of communicating with parents . I almost moved my child to a different school but then noticed improvement in their reading etc so left them for now as I didn't want any more upheaval	7/11/2022 9:00 PM
36	As a parent I could not be happier with this school. My son is so happy, well-supported, challenged, nurtured and celebrated. His self-confidence has soared, his learning is excellent and he loves coming to school. The staff can't do enough for us including the school's leadership team. We feel supported, included and welcome in the school 'family' . We have recommended DPS to family & friends.	7/11/2022 9:00 PM
37	The report came as a surprise how low he was in certain areas. Interventions have been hit and miss eg him not being collected from wrap club to attend etc. additional support highlighted on report and no idea what it means. Lack of school trips. A lot of events that working parents find it hard to attend. Even though they're lovely it's hard on our child when we cannot be there.	7/11/2022 8:57 PM
38	None	7/11/2022 8:56 PM
39	I had been so happy with the school until this academic year. My son has not had a particularly good year. His teacher has had very limited positive things to say about him and his is rarely recognised or rewarded. His school report felt very negative- he apparently tries very little in all subjects. He had a poor image of himself which I feel has been brought on by experiences at school. I have tried to discuss concerns but haven't been given the opportunity. I am really hoping that year 5 will be a better year.	7/11/2022 8:50 PM
40	My child is happy at school however I don't believe she is being pushed to achieve more. I am also very disappointed that when doing outside concerts and sports day there is no shade for the children. The communication between myself and my daughters teacher has been very poor this year.	7/11/2022 8:49 PM
41	My son has made a recent transition to this school and the school have been amazing at supporting the move, supporting him in lessons and making him feel welcome and valued at	7/11/2022 8:46 PM

the end of his primary school years. Thank you

42	I don't think there is enough communication on the weakness of the kids. For example, additional homework should be given if a child need improvement in a particular area.	7/11/2022 8:45 PM
43	Amazing staff, teachers and headteacher. Great village school with hard working team.	7/11/2022 8:41 PM
